

## Engineering Drawings

- Engineering Drawings Fundamentals
- Engineering Drawings for Castings
- Engineering Drawings for Forgings
- Engineering Drawings for Hydraulics
- Engineering Drawings for Machining
- Engineering Drawings for Spur and Helical Gears
- Engineering Drawings for Welding
- GD&T Fundamentals

## Quality

- 7QC Tools: Check Sheets
- 7QC Tools: Control Charts
- 7QC Tools: Fishbone Diagrams\*
- 7QC Tools: Histograms
- 7QC Tools: Pareto Charts\*
- 7QC Tools: Scatter Diagrams
- 7QC Tools: Stratification
- 8D Problem-Solving Basics
- Advanced Product Quality Planning (APQP)
- Affinity Diagrams
- Control Plan
- Coordinate Measuring Machine (CMM) Basics
- GD&T Measurement Basics
- Measurements: Basic Concepts
- Measurements: Measurement Math
- Measurements: Measuring Processes
- Measurements: Measuring Tools
- Process Failure Mode and Effects Analysis (PFMEA)
- Process Failure Mode and Effects Analysis (PFMEA) AIAG & VDA
- Production Part Approval Process (PPAP)
- Process Flow Diagrams
- Shop Math: Fractions
- Statistical Process Control (SPC) Basics
- Surface Finish Measurement Basics

## Manufacturing Excellence

- 5S Workplace Organization Method
- Contingency Planning Fundamentals
- Cycle Time
- Lead Time
- Overall Equipment Effectiveness (OEE)
- Purchase Order Fundamentals
- Takt Time
- Value Analysis and Value Engineering (VAVE)

## Safety and Compliance

- Personal Protective Equipment (PPE) Selection
- Prevention Of Sexual Harassment (POSH) in the Workplace
- Safety: Lockout Tagout (LOTO)

*This category includes an additional 600+ courses in Safety and Workplace Compliance. Contact us to learn more.*

## Materials

- Aluminum Fundamentals: Castings
- Ceramic Basics
- Composite Basics
- Destructive Metallurgical Testing
- Ductile Iron Fundamentals
- Gray Iron Fundamentals
- Non-Destructive Testing
- Polymer Basics
- Polymer Fundamentals
- Powder Metallurgy Basics
- Steel Basics
- Steel Fundamentals
- Steel Tubing Basics
- Steel Tubing Production
- Wrought Aluminum Basics

## Manufacturing Processes

### Additive Manufacturing

- Additive Manufacturing Stereolithography

### Castings

- Aluminum Melting Fundamentals
- Bonded Sand Aluminum Casting Basics
- Bonded Sand Fundamentals
- Bonded Sand Iron Casting Basics
- Bonded Sand: Horizontally Parted Molds
- Bonded Sand: Mold Patterns
- Bonded Sand: Vertically Parted Molds
- Charge Calculation for Cast Irons
- Chemically Bonded Sand Basics
- Cupola Furnace Fundamentals
- Cupola Furnace Operations
- Cupola Furnace Troubleshooting and Techniques
- Foundry Cleaning Room Equipment
- Gating and Riser Basics
- Gravity Die Casting Basics
- Green Sand Defect Analysis
- Green Sand Equipment and Process Control
- Green Sand Properties
- Green Sand Testing
- High Pressure Die Casting Basics
- Induction Melting Furnace I
- Investment Casting Basics
- Iron Melting Fundamentals
- Low Pressure Die Casting Basics
- Quality Inspection for Steel Castings
- Vacuum Process Fundamentals

### Heat Treating

- Heat Treating Basics (*available in Spanish*)
- Heat Treating Processes and Equipment
- Heat Treating Safety
- Heat Treating Testing and Defects

### Injection Molding

- Injection Molding Process
- Injection Molding Terminology
- Injection Molding Troubleshooting

## Industry 4.0

- Automation Basics
- Internet of Things: Manufacturing
- Sensors: Measurement Concepts
- Robotics Fundamentals

**Engineering Drawings Fundamentals**

Engineering Drawings

**Autonomous, Connected, Electric and Shared (ACES) Vehicle Fundamentals**

Systems

**Polymer Fundamentals**

Materials

**Heat Treating Processes and Equipment**

Heat Treating

## Manufacturing Processes (cont'd)

### Machining Video Series

- Broaching Video Series
- Cylindrical Grinding Video Series 1
- Gear Hobbing Video Series 1
- Gear Hobbing Video Series 2
- Honing Video Series 1
- Honing Video Series 2
- Horizontal Machining Center (HMC) Video Series 1
- Horizontal Machining Center (HMC) Video Series 2
- Horizontal Machine Center (HMC) Machine Safety
- Rotary Surface Grinding Video Series 1
- Rotary Surface Grinding Video Series 2
- Turning Center Video Series 1
- Turning Center Video Series 2
- Turning Center Video Series 3
- Vertical Machining Center (VMC) Video Series 1
- Vertical Machining Center (VMC) Video Series 2

### Metal Cutting

- Centerless Grinding I
- Cylindrical Grinding Fundamentals
- Cylindrical Grinding Process Parameters
- Cylindrical Grinding Process Strategy
- Fixturing Fundamentals for Machining
- Hole Process Fundamentals
- Industrial Band Saw Blade Operation
- Machine Tool Fundamentals
- Precision Grinding: Abrasive Wheel Safety
- Surface Process Fundamentals
- Turning Tool and Process Basics

### Metal Forming

- Cold Forming Fundamentals
- Corrective Leveling Basics
- Forging Basics
- Forgings: Closed Die Processes
- Forgings: Closed Die Terminology and Equipment
- Forgings: PPE Scenarios for Forge Shops
- Metal Forming Process Selection
- Roll Forming Basics
- Stamping Processes
- Stamping Terminology

### Painting

- Cathodic Electrodeposition (CED) Painting Basics

### Plating

- Plating Fundamentals

### Welding

- Welding Fundamentals

## Manufactured Products

### Bearings

- Bearing Fundamentals

### Belts

- Belt Classifications: Poly V Belts
- Belt Classifications: Round & Flat Belts
- Belt Classifications: Special Belts
- Belt Classifications: Synchronous Belts
- Belt Classifications: V Belts

### Chain

- Chain Fundamentals: Industrial

### Compressors

- Compressor Fundamentals: Positive Displacement
- Compressors: Ancillary Equipment

### Electrical and Electronics

- Electric Motor Fundamentals
- Electrical Power Introduction
- Electronic Terminology
- Electrostatic Discharge (ESD) Basics
- Embedded System Basics
- Light Emitting Diode (LED) Basics
- Passive Electronic Circuit Basics
- Printed Circuit Board (PCB) Basics
- Printed Circuit Board (PCB) Manufacturing
- Semiconductor Basics
- Semiconductor Manufacturing I
- Semiconductor Manufacturing II
- Semiconductor Manufacturing III
- Semiconductor Metrology Basics
- Semiconductor Metrology Instruments
- Variable Frequency Drive (VFD) Basics
- Wiring Harness Components

### Fasteners

- Bolted Joint Basics
- Threaded Fastener Specifications
- Threaded Fastener Terminology and Components
- Threaded Fastener Testing and Defects

### Gearboxes

- Gearbox Basics

### Gears

- Bevel and Hypoid Gear Terminology
- Cylindrical Gear Manufacturing
- Troubleshooting
- Gear Chart Interpretation-Elemental Measurements on Cylindrical Gears
- Gear Fundamentals
- Generating Gear Grinding I
- Generating Gear Grinding II
- Spur and Helical Gear Terminology

## Manufactured Products (cont'd)

### Hydraulics

- Hydraulic System Fundamentals

### Seals

- Oil Seal Fundamentals: Rotary Applications
- Seal Basics

### Product Design

- Forging Die Design Essentials
- Product Noise, Vibration, and Harshness (NVH) Troubleshooting
- Spur and Helical Gear Design Fundamentals

### Tires

- Pneumatic Tires: Tire Defects
- Pneumatic Tires: Tire Labels and Markings
- Pneumatic Tires: Tire Terminology

### Valves

- Engine Valve Manufacturing
- Valve Basics

### Wheels

- Wheel Basics

## Automotive Systems

- Autonomous, Connected, Electric, and Shared (ACES) Vehicle Fundamentals
- Braking Systems: Hydraulic
- Braking Systems: Pneumatic
- Differential Basics
- Drive Axles: Heavy Duty Commercial Vehicles
- Electric Vehicle Battery Basics
- Engine Fundamentals: Internal Combustion
- Engine Testing Methods and Systems: Internal Combustion
- Exhaust Gas Recirculation (EGR) System Basics
- Filtration Systems for Transportation and Industrial Applications
- Heating, Ventilation, and Air Conditioning (HVAC) Basics
- Hydrogen Powered Internal Combustion Engine (HPICE) Basics
- Lithium-Ion Battery Charging
- Lithium-Ion Battery Manufacturing
- Lithium-Ion Battery Materials
- Lithium-Ion Battery Safety
- Lithium-Ion Battery Testing
- Steering System Basics
- Suspension System Basics
- Traction Motor Stator Assembly Process
- Traction Motors for Electric Vehicles
- Transfer Case Principles
- Transmission Fundamentals: Automatic

The THORS Academy Course Library is constantly growing with 2-3 new titles being added each month. Please use the QR code below to view our most up-to-date course list.

The digital version of this course library list links to the course page on our website that includes the course learning objectives, additional course details, and a course preview video.
