

# Shakeout Basics

eLearning courses designed to increase productivity and profits

## Learning made Simple, Visual, and Interactive

The THORS Shakeout Basics course introduces the shakeout process, which is a crucial step within the casting process. Presented in the THORS' interactive Lightning Learning format, this course helps learners to understand the aspects of the shakeout process as well as the essential safety requirements associated with it.

Learning Hours **1.5**

## Learning Objectives

- 💡 Understand the various processes in casting.
- 💡 Identify the tools, methods, and downstream effects associated with the shakeout process.
- 💡 Recognize the safety requirements for the shakeout process.
